

Golf Mokrice

Unique place of Terme Čatež is the Mokrice Castle Estate, which is just few minutes away, located on an elevated ground of Gorjanci, in nature, where a medieval castle is standing, surrounded by a spacious golf course and castle park.

For one hour, professional golf instructors will lead us in the first game of Golf on a course with 18 holes. They will show us the equipment, and under their direction we will do our first shots. For those who are experienced players, this is the opportunity to visit one of Slovenia's golf courses and to practice on Mokrice golf practice area.

After the practice, we will have time to relax in the 200 years old English park, or just sit on the terrace of the Golf Club, enjoying cold beverages.

For those who will be interested in the history of the castle Mokrice, there will be a local guide waiting for you to introduce you to the attractions of the estate. How nice is the castle?
